## DETAILED ACTION

### *Allowable Subject Matter*

1. Claims 1-2 are allowed.

The following is a statement of reasons for the indication of allowable subject matter: Claim 1 recites, inter alia, "a probe needle with one end connected to said circuit board and the other end coming into contact with electrodes connected to said semiconductor integrated circuit, and a circuit for applying voltage to said probe needle to destroy insulating film at the tip of said probe needle." Applicant's arguments based on the above limitations overcome the office action mailed on 07/14/2004.

### Conclusion

2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
